NOTES

focus · brightness on the wall · lighting washout · timing · changes

WHERE IT PLAYS

- Q18

Ship number (loop) · M06 SHIP
- Q19.3

Weather: back to normal (loop) · Return to M06 SHIP

MOTION

Gentle swell, clouds drift, sun glints move on the water.

NOTE

Keep the rocking tiny — strong motion on a big screen makes audiences queasy.

NOTES

focus · brightness on the wall · lighting washout · timing · changes

WHERE IT PLAYS

Q19 Weather gag (still) · M06 + quick accent

MOTION

Still image.

NOTE

Comic snap for the weather gag (Q19).

NOTES

focus · brightness on the wall · lighting washout · timing · changes

WHERE IT PLAYS

Q20 Storm wind build (loop) · M08 STORM

MOTION

Rain falls, waves heave, clouds churn. No lightning.

NOTE

Lightning comes from the Mantra (Q21, Q23, Q25) — never flashes in the video (R-04).

NOTES

focus · brightness on the wall · lighting washout · timing · changes

WHERE IT PLAYS

Q28 Spirit on shore (loop) · SP2 + M07

MOTION

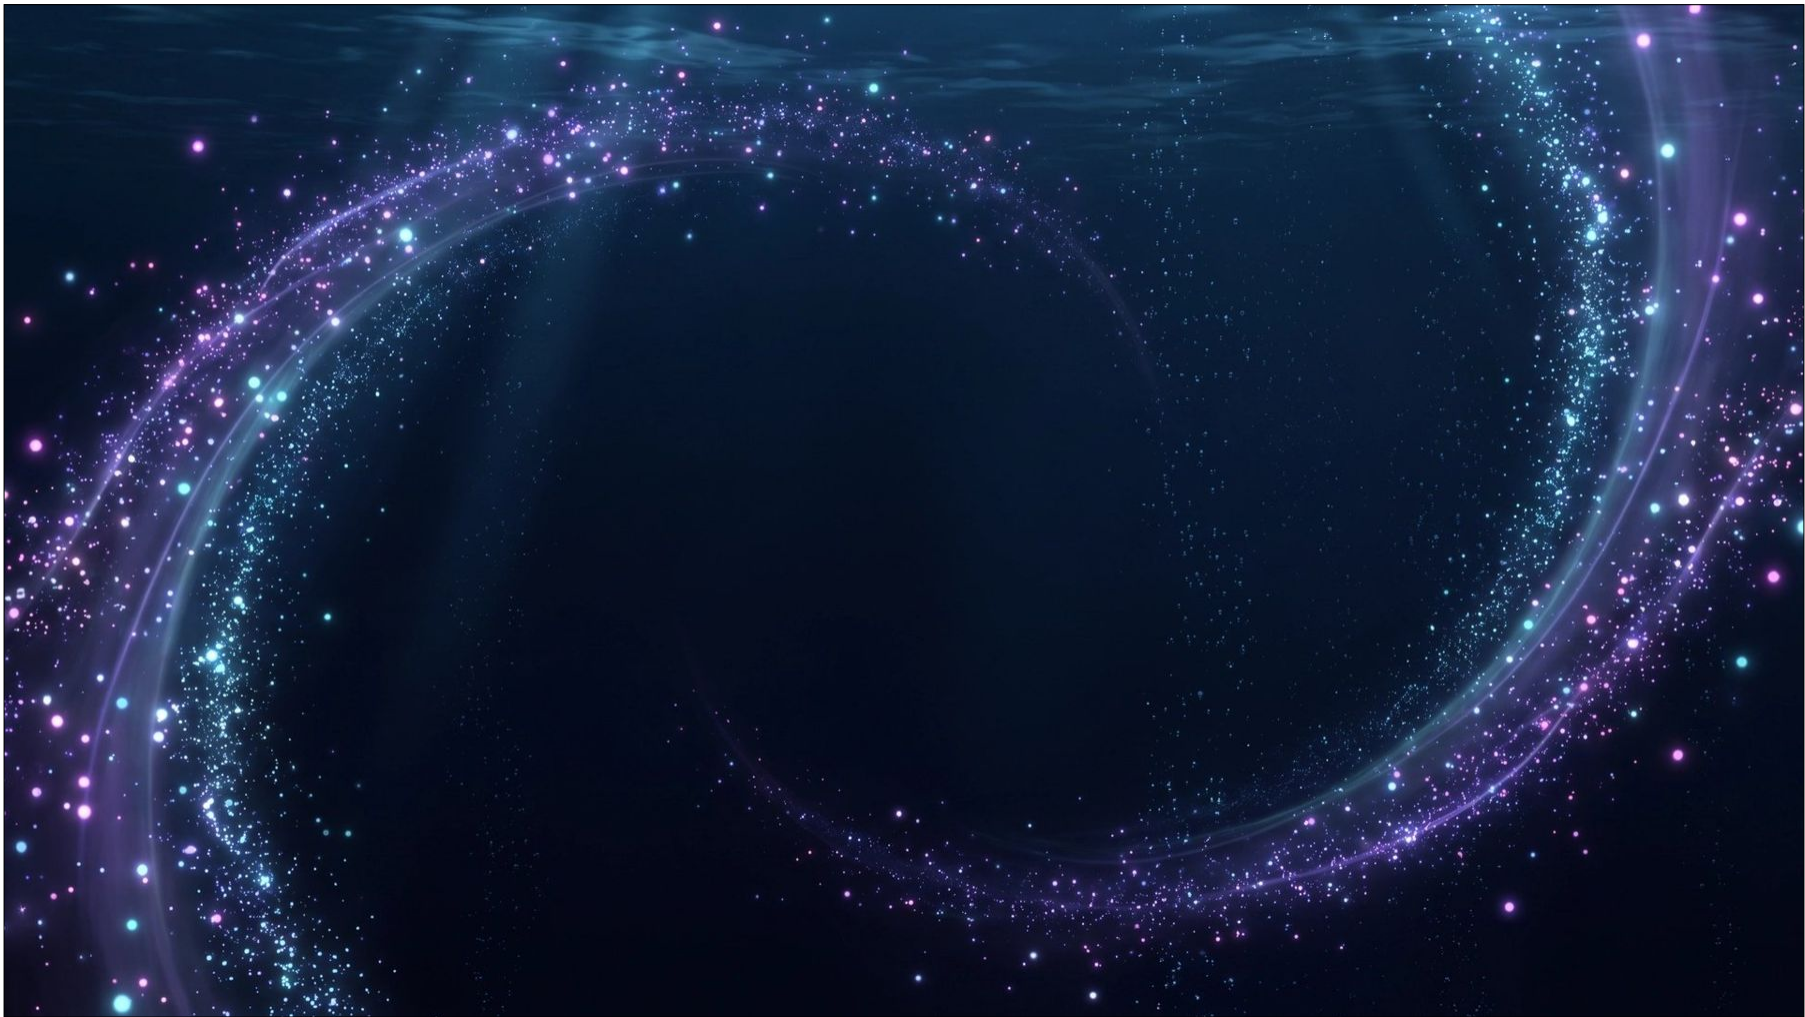

Small waves wash in and out, clouds drift, light slowly warms.

NOTE

NOTES

focus · brightness on the wall · lighting washout · timing · changes

WHERE IT PLAYS

- Q33

Bargain standby (loop) · M10 ready
- Q52

Shell activation (loop) · M12 VOICE SHELL

MOTION

Particles spiral slowly upward and inward. Gentle, not flashing.

NOTE

Runs under the transformation (Q33) and the voice transfer (Q52). The white hits come from lighting.

NOTES

focus · brightness on the wall · lighting washout · timing · changes

WHERE IT PLAYS

Not in the cue plan — spare.

MOTION

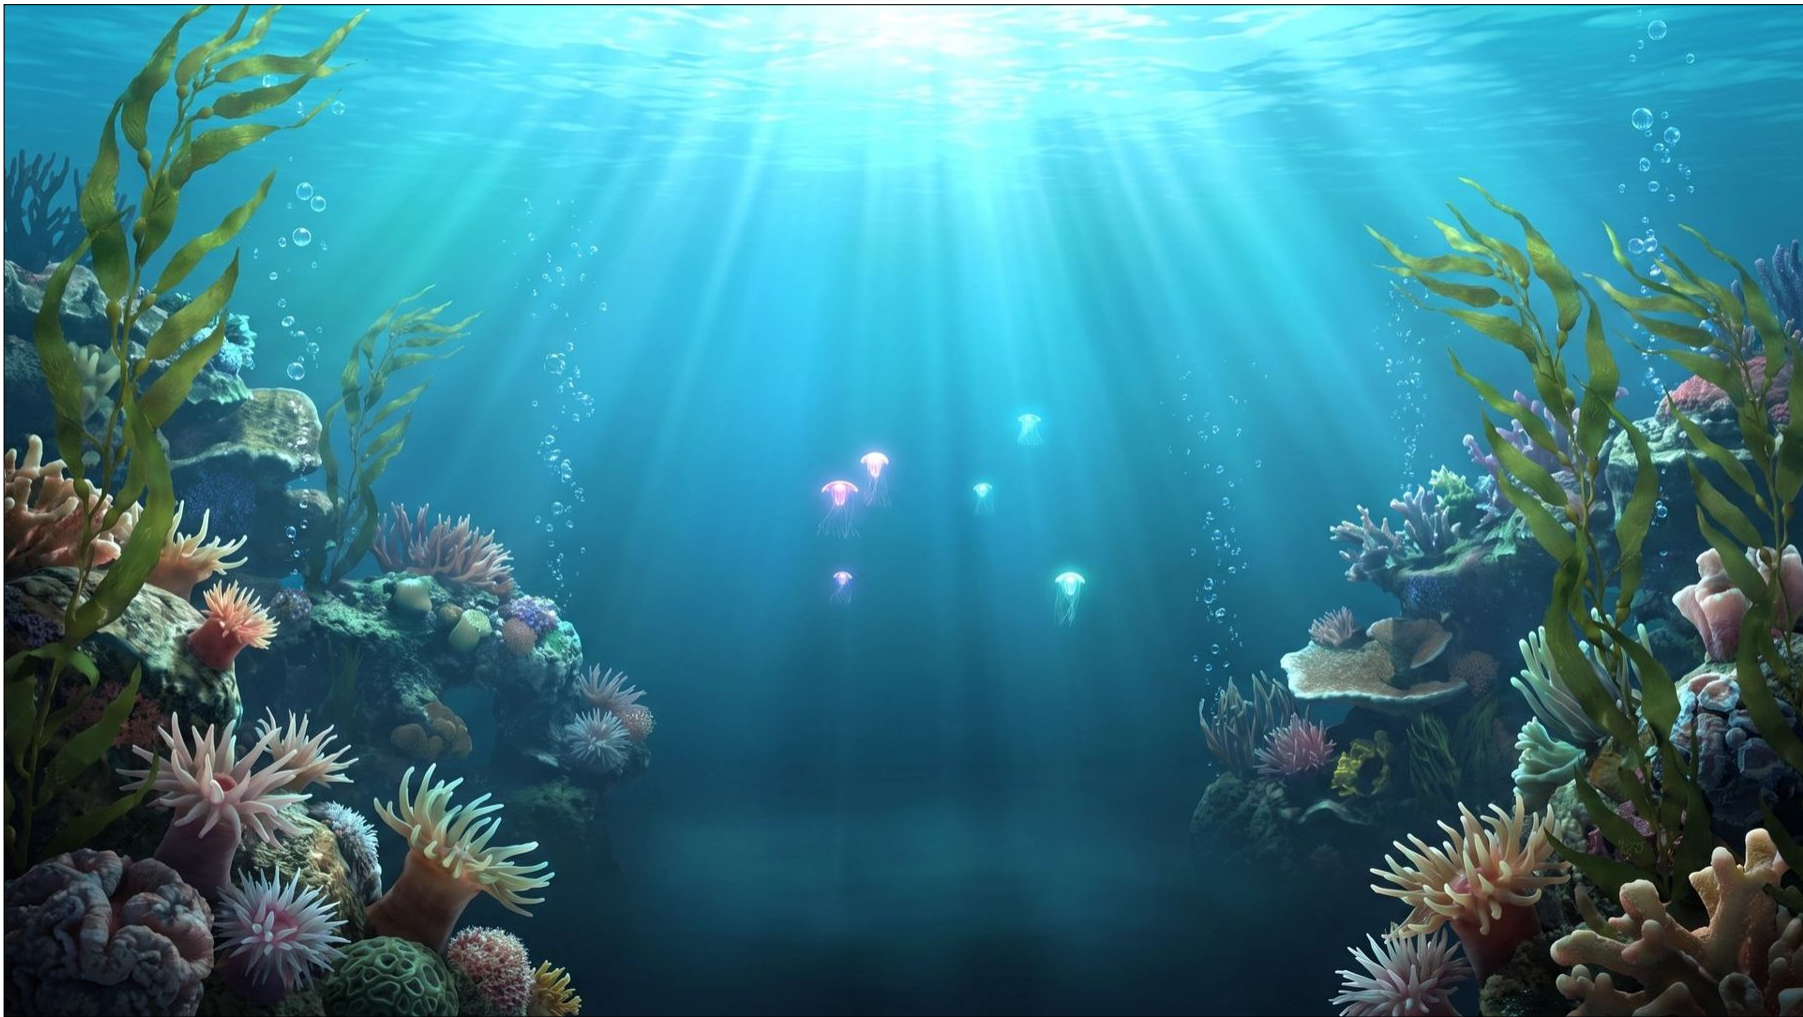

Curtains stir, sunlight shifts, sea sparkles.

NOTE

Spare — BG-18 is used for the palace.

NOTES

focus · brightness on the wall · lighting washout · timing · changes

WHERE IT PLAYS

Q45 Jellyfish search (loop) · M13 JELLYFISH

MOTION

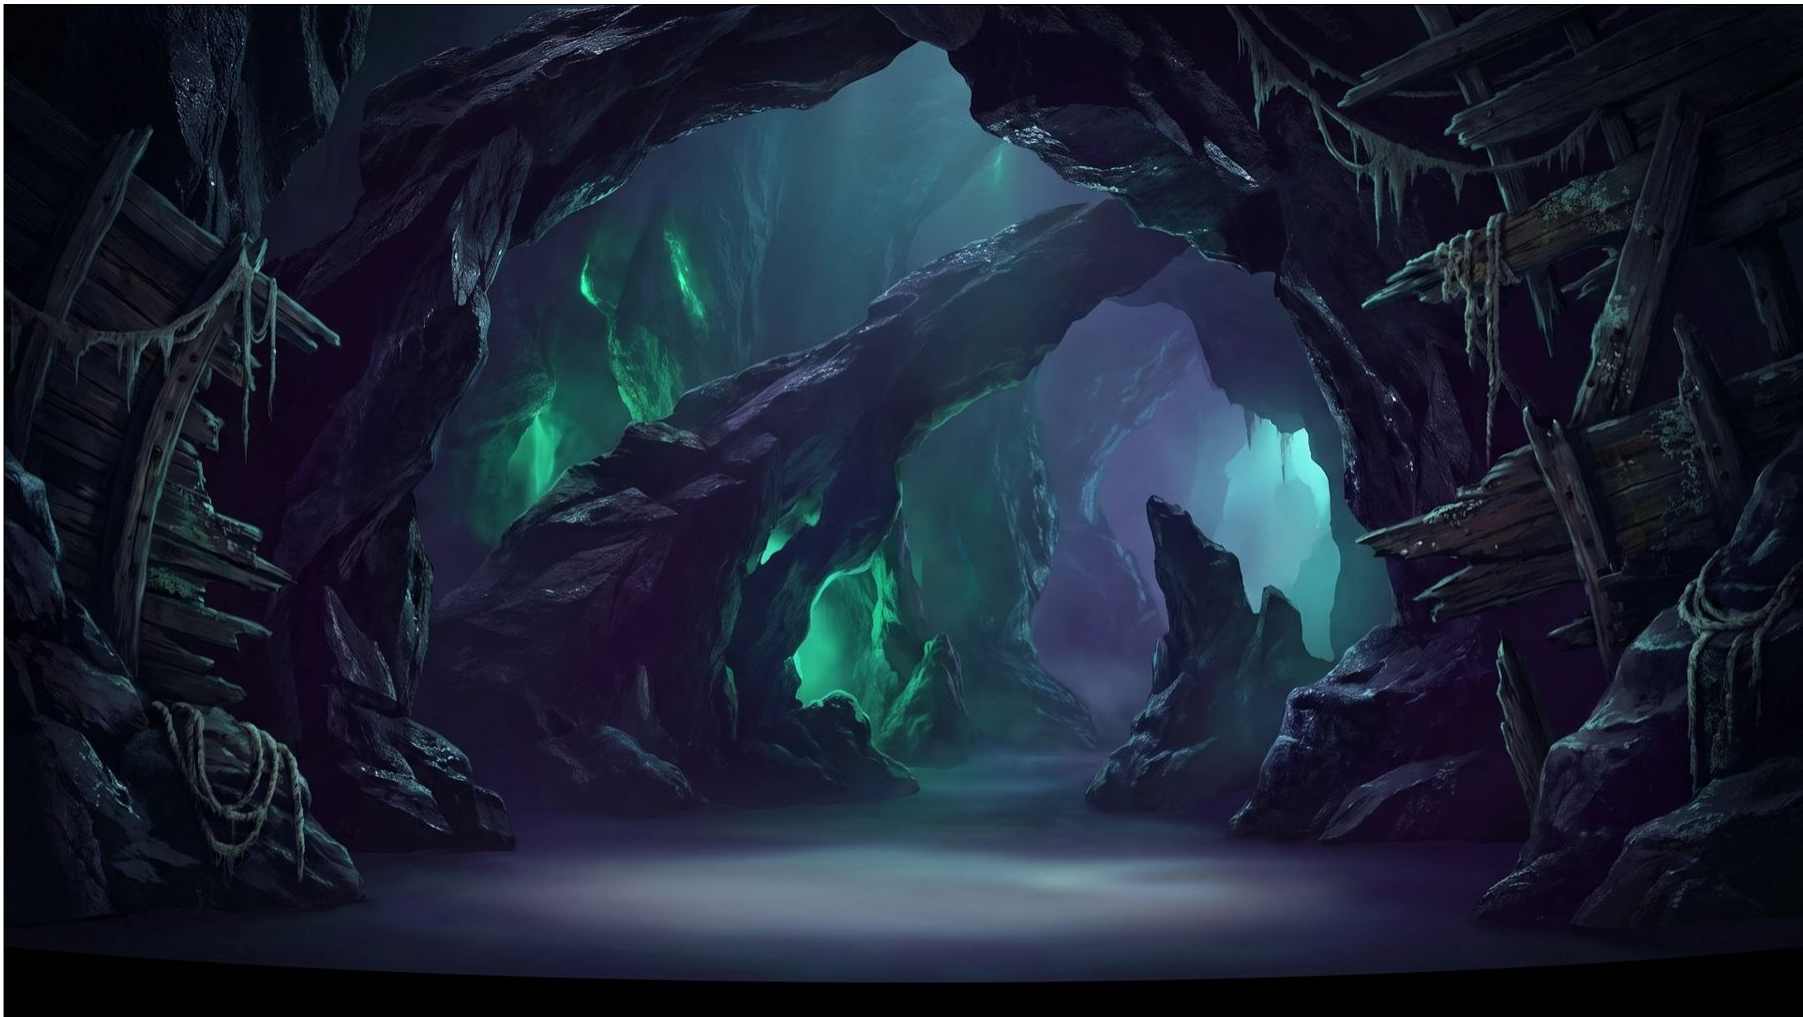

Distant jellyfish pulse and drift upward, bubbles rise, kelp sways.

NOTE

The real jellyfish is a performer — the video ones stay small and distant.

NOTES

focus · brightness on the wall · lighting washout · timing · changes

WHERE IT PLAYS

Not in the cue plan — spare.

MOTION

Green glow pulses slowly, dark particles drift.

NOTE

Spare — BG-19 is used for the lair.

WHERE IT PLAYS

Q9 Theodore entrance (loop) · M04 COMEDY

MOTION

Schools of small fish swim slowly across the upper background, sea grass sways.

NOTE

Scene One (script p 8). Fish stay small and high so they don't compete with dancers.

NOTES

focus · brightness on the wall · lighting washout · timing · changes

WHERE IT PLAYS

- Q39

Act Two start (loop) · M05 ROYAL
- Q41

Evan memory beat (loop) · General 45% + focused warm area
